

CLINICS

Almost every county has at least one medical center or clinic that provides medical services for the uninsured or underinsured. The staff at these clinics often help their patients to find other medical specialists.

Somerset County

Zufall Community Health Center

71 Fourth Street
Somerville, NJ 08876
908-526-2335

Zufall Health is the medical and dental home for the underserved in New Jersey. This fully licensed, Federally Qualified Health Center (FQHC), provides high-quality, affordable, compassionate medical and dental care to patients in Morris, Sussex, Hunterdon, Warren, Somerset, and Essex counties. Patients of all ages are welcome, regardless of income or insurance status.

Zarephath Health Center

595 Weston Canal Road
Somerset, NJ 08873
732-537-0737

Clinic does not accept any kind of insurance or payment, it is a free clinic run by volunteer doctors and staff.
