Ridge Oak Senior Housing COVID-19 Update

COVID 19 is still very much a risk to our community. Governor Murphy has recently mandated that all NJ residents wear masks when outdoors AND you are unable to maintain 6 feet of social distance. We have seen residents and visitors without masks when outside apartments. We all like to stop and talk with one another when sitting outside or taking a walk. For your safety and that of our residents, when you are on Ridge Oak property please have a mask in your hand ready to put on or around your ears and under your chin also ready to pull up. We know this is tiresome but now is not the time to relax.

WE MUST STAY the course! Wash your hands, wear a mask and maintain 6 feet of social distance.

To discuss available support services at Ridge Oak and in the community call our office at 908-221-0266 or by email at info@ridgeoak.org.

Thank you for your vigilance. Please stay healthy and safe.

Thank you,

Bonnie Kelly,
Executive Director
Ridge Oak Senior Housing
